

April 7, 2015

Dear Customers:

As many of you know, work has been ongoing in preparation for the South Pool Deck Replacement and HVAC Renovation Project. For a refresher on the background information concerning this project, please review [our letter to customers from December](#). We are happy to announce that on April 6, 2015 an [Invitation for Bid](#) was posted on the City of Rockville's website to solicit potential contractors for the project. Bid submissions are due on May 15, 2015.

With the bids due in mid-May, the construction is expected to begin in mid-July and is projected to last approximately nine months. Although this project will incur short term inconveniences and alterations to our typical schedule, it is important to remain positive as the work to the facility is needed and welcomed to improve the Swim and Fitness Center.

We will continue to share information, including updated program and operating schedules via the "Notify Me" email group (sign-up online at www.rockvillemd.gov/swimcenter), and by notices posted at the facility and online. Thank you in advance for your continued support, patience and understanding as we work to improve experiences at the facility. Feel free to contact a member of the Swim and Fitness Center Management Team at swimcenter@rockvillemd.gov or 240-314-8750 with any questions.

Sincerely,

Adam Goldstein, Superintendent
Rockville Swim and Fitness Center
